Sacramento, CA 95814  
State Clearinghouse Number 96032083**

**To Whom It May Concern:**

**I am supportive of an aggressive plan to conserve water in California. I am also supportive of saving taxpayer's money. If new technology works to save water, I think it should be used. With California's increasing population, it's time to look at the bigger picture and perhaps consider new alternatives.**
