The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

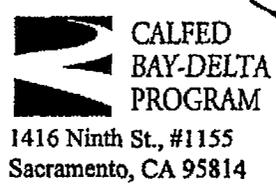

I am very concerned about the proposal for more dams & canals. The Bay & Delta grow increasingly polluted. I am a mother of 3, soon to be 4 & without clean water their health is at risk. It is also damaging to our eco-systems. It is also going to cost tax payers. We need to increase fresh water to the Bay & Delta.
