CALFED
BAY-DELTA
PROGRAM

Public Comment

Date 10 Aug 1999

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

I have lived in the Bay Area for 47 years and have watched the pollution levels rise dramatically in all our water sources & ways I have lived through drought periods where the people of the Bay Area have been on strict water rationing while swimming pools & water parks were encouraged in the southern portion of the state (with mother California water). I am also concerned about the lack of wetlands for wildlife habitat & pollution of what little is remaining. Serious concern about the →
