CALFED
BAY-DELTA
PROGRAM

Public Comment

Date 8/10/99

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

It's important that we continue to be aggressive in the clean water act so that future generations can enjoy the natural habitats formed by our bays and deltas. Why should we have to pay for others use of water and destroy our natural habitats in the process? That doesn't make much sense or practicality.
