TO WHO IT MAY CONCERN

From Westland to San Francisco:

- Have you heard the latest. While we wait to see what Calfed is up to in the Rivers. The State Water Resources Control Board is getting ready to complet the San Luis Drain . How will are Children and are Grand Children be after they have drink westland agricultural drainage water for few years. Will they be like the Ducks down in Kesterson Wild Life Refuge.

Westlands Water District farmers who in the 1980s sent drain water that poisoned Kesterson Wild Life Refuge. A meeting on AUG.4 1999 to hear reports on agricultural drainage in the San Joaquin valley. But due an oversight that notification was not mailed.Ha Ha and thank you vary much.This seems to be the way things are done now in Sacramento.

Write to Governor Gray Davis StateSenate Richard Rainey Assembly Members Tom Torlakson & Lynne Leach tell them we are DAM Tired of being the Dumping Grown for everyones Waste and a siphon for are water. Are you drinking river water .Do you know that about 100,000 acres of farm land from the Panoche water and four other drainage district dump there selenium laced agricultural poison in to the San Joaquin River an comes to Antioch.

Thank You Joe Horn
