Comments:

I am a 4<sup>th</sup> generation farmer in Glenn County. All of the ground that I farm is irrigated. Needless to say, I would not be farming, or my children after me will not be farming, without adequate water.

My water resources are Bureau of Reclamation, canal water, Sacramento River brought from Oregon districts, well water, and my

Two surface water run-off  
recirculation ponds.

My family has been  
pumping water from our  
wells for many years. The  
water table in these wells is  
quite low and you & your

When Back Butte Reservoir  
was constructed west of  
us, we could see a dramatic  
increase in the water table in  
our irrigation wells.

Strongly urge you to  
consider additional water  
storage facilities because as  
you can see, stored water  
is the common thread of all  
my water sources.
