Subject: Organizational Membership

Your approval is requested to obtain an organizational membership in the **Bay-Delta Modeling Forum** for the Bay-Delta Oversight Council. The organizational membership dues are \$500 a year. John Amodio will serve as BDOC's designated representative, with Steve Yaeger as the designated alternate.

The attached requisition and justification for membership appears appropriate and in accordance with the guidelines set forth in DAM 2170. The records on file show that the Department of Water Resources' obtained a membership with the Bay-Delta Modeling Forum, approved by the Director on August 18, 1994. George Barnes serves as DWR's designated representative, with Francis Chung as the designated alternate. DWR is one of the Bay-Delta Modeling Forum's 15 Steering Committee organizations and George Barnes is chair of their Consensus Project Committee. No one else in DWR has applied for an organizational membership with the Bay-Delta Modeling Forum. **Recommend approval.**
