TO: DISTRIBUTION LIST

Enclosed are the draft meeting minutes and handout material for the Interim North Delta Program Inter-agency Coordination meeting of October 5, 1995. I would appreciate receiving your comments and suggested changes by October 27 to incorporate in the final version of the minutes. As all participants agreed, instead of holding regular monthly meetings in the future, the inter-agency team will meet only when progress on the technical studies warrants. I will mail announcements prior to the next meeting with sufficient time to accommodate your busy schedules.

Thank you for your contributions to the interim Delta solution-finding process. If you have any questions or comments, please call me at (916) 653-6628.

Sincerely,

A handwritten signature in black ink that reads "Stein M. Buer" with a large checkmark flourish at the end.

Stein M. Buer, Chief
Long-Term Planning Support
and North Delta Management
