

Fish Facilities Coordination Team

Meeting: Thursday, 3/16/98 1:00-4:00pm

Present:

- Randy Brown - DWR ESO
- Darryl Hayes - DWR ESO
- Bob Fujinivig??- DFG
- Serge Birk - CVP Water Users - sergebirk@msd.com
- Charles Liston - USBR Denver
- Ron Vrnik - USBR
- Jim McKeivitt -USFWS
- Jim Buell - Consultant
- Marcin Whitman - Jim Bybee - NMFS
- Marianne Hallett - NRCS
- Kevan Urquhart - DFG - Bay-Delta
- Dan Odenweller - DFG IFD
- Alan Baracco -DFG (Chairman)

Purpose:

To Coordinate Fish Screen Activities in the Central Valley.

Other Activities:

- Could provide input to CALFED integration team.
- Could provide information to NRCS small screen program.
- Could have smaller work group to focus on individual projects.
- Smaller group could review status of projects and bring issues to this group.
- Could help CALFED frame policy issues.
- GRAPES "69 projects" ask Darryl.

Tracy:

- Major Research Facility - TFF.
- CVPIA (B4) directive to fix, 25% cost share.
- Energy and Water \$2.4M
- 1998 funds from Water and Power \$1.4M
- USBR Restoration Funds.
- Design in 1999 - implementation 2000.
- Need to do something right away.
- Need donations from DWR and CALFED.
- Cost is \$8M to \$10M for construction plus cost monitoring and evaluation.

Action:

Review and comment on Fish Facility Team Document for Tracy.
