

FAX COVER SHEET

Wednesday, January 08, 1997 10:05:27 AM

To: Dick Daniel
At: CALFED Bay-Delta Progra
Fax #: 6549780

Fax: 11 pages and a cover page.

Note:

Dick:

I made some progress this morning. Here is what I have at this time (Tables 8, 9 & 10), I will continue work on it later this evening.

I will back in the office on Friday and hope that you and I can continue work on the remaing objectives. Overall, the habitat objectives and species objectives should be easy and we should get through them quickly.

Terry
