Subject: Review of Ecosystem Restoration Program Plan, Volume I

Enclosed, for your review, is Volume I, "Resource Visions" of the Ecosystem Restoration Program Plan. This review draft has not been edited fully and we are not asking you to provide an edit. Rather, we need your identification of issues that might be of concern to your agency. This is a 'red flag' review.

We will discuss your comments on Tuesday, April 22, from 9 a.m. to noon in Room 804 of the Resources Building. Please let me know by close of business Monday, April 21 which chapters or sections you would like to discuss. I can be reached at (916) 657-0199. I will set an agenda based on what you want to talk about.

We will take your comments and use them to refine the document. I cannot promise that your comments will be incorporated into the current draft because of scheduling problems, but they will be considered in the preparation of the final draft.

Finally, the material is still a draft and, as such, its public distribution could cause misinterpretation and concern. Please keep your copy in-house and help us to prepare a quality plan for the public and agencies to work with in the future.

Thank you for your help.
