Memorandum

Date: August 12, 1999
To: Emergency Response Sub-Team
From: Lynn O'Leary
Subject: September 2, 1999 Meeting

Enclosed is your packet for the September 2 Emergency Response Sub-Team meeting.

1. An agenda for the September 2 meeting
2. A copy of the July 22 Draft of the Emergency Response Report
3. A redline comparison between the July 22 Draft and the June 1 Draft, which is the version in the current Long Term Levee Protection Plan.

Comments received in the July Sub-Team meeting were incorporated by Tom Z. and should be reflected in the July 22 Draft of the report. If you have further comments on the July 22 draft, please be prepared to discuss them at the September 2 meeting. I'm hoping that we can "finalize" this draft for the next set of CALFED documents without having another review or meeting (but if necessary, we will do it again!).

Thank you again for participating in this sub-team.
