

Memorandum

To: Rick Woodard, Peter Mangarella, John Davis
From: Carol Howe
Subject: Notes from Post 4-30 Water Quality Impact Assessment Meeting
Date: May 1, 1997

Participants: Rick Woodard, Carol Howe, Peter Mangarella, John Davis

Linkages

It was decided that the team will e-mail Carol any linkages or assessments (other than water quality) that are identified as relevant for consideration during impact assessment. Carol will compile the e-mails every two weeks and forward to Rick for distribution to other CALFED program managers.

Impact Analysis

Peter and John will proceed with analyzing water quality impacts of ecosystem and levee actions. Subsequently, they will analyze water use efficiency, storage and conveyance and water quality actions.

Affected Environment

Carol will produce an outline of the Water Quality Affected Environment by 5-6-97.

Expenditures

Peter will send Carol, every Friday, a weekly summary of funds expended and work accomplished by Woodward-Clyde for water quality impact assessment. Carol will add Montgomery-Watson's hours and accomplishments and forward a summary to Rick Woodard every Monday.

Water Quality Common Program Report

Carol will send a draft of the Water Quality Common Program Report to Rick, Peter and John on Monday, May 5. A meeting is scheduled for Tuesday, May 6, at 9 AM in Rick's office to discuss the report. John will participate in the meeting via speaker phone. Carol will produce an agenda for the meeting.
