Subject: Team Leader Meetings

Date: Fri, 30 May 97 13:28:42 PDT

A REMINDER:

1. The next team leader meeting is scheduled for Monday, June 2, 1997 at 1:30. I WILL have all the Technical Reports by that time and will be able to give you first impressions and some further direction. In addition, I will be going to each of your team meetings to help focus the impact analysis discussion and answer questions.
2. We may be asking that each of you give PCT a brief (5 min) summary of your early impact analysis results. The PCT meeting is on June 11. I will be talking to Judy K. about this and will try to schedule our part of the meeting up front so that you all can get back as soon as possible. I'll keep you posted.
