To: Bill Croyle
From: Sarah Holmgren
Subject: Potential Tools Table

Fax No: 255-3015
Reference:
No. of Pages: 4
(including cover)

Per my voice mail message, following is a table on potential tools for assessing the effectiveness of CALFED Water Quality actions. Judy Heath, Rick Woodard, and I are trying to prepare this table for the October 1 meeting of the CALFED Water Quality Technical Group and thought you might have some good insights.

Please call me at your earliest convenience. Thank you for your time and assistance.

Sarah Holmgren
