Memorandum

Date: November 2, 1995
To: Ted Roefs, MP 710; Ken Lentz, MP 150
From: Rick Breitenbach
Subject: Report on Impacts of Toxics Within the Bay-Delta

I will be getting together with other agency folks next week to discuss several items including the recommendations in the enclosed report. I would appreciate some thoughts from each of you on concerns Reclamation may have with the recommendations and how we might resolve those concerns. If you would rather speak to these concerns yourself, please feel free to come to the meeting at 10 AM on November 7, 1995 in Room 1206 of the Resource Building. As usual, you only have a short time to look this over and get back to me. If you don't intend to come to the meeting, I'll need to hear from you by November 6, 1995.

Ken, you might want to ask Jim Arthur into this review as well. If you have questions, please call me at 657-2666.

cc: Dan Fults, MP 105; Susan Hoffman, MP 700; Penny Howard, MP 150 (w/o enclosure)
