

MEMORANDUM**CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD • CENTRAL VALLEY REGION**3443 Routier Road, Suite A
Sacramento, CA 95827-3098Phone: (916) 255-3000
CALNET: 8-494-3000**To:** Carol Howe
CALFED**From:** Jerry Bruns, Chief
Standards, Policies, Special Studies**Date:** 16 May 1997**Signature:** **Subject:** *CALFED Water Quality Actions*

Attachment 1 includes some preliminary comments from Chris Foc. His comments incorporate suggestions from Val Connor and myself. I have a few other people in this office and our Redding office taking a look at your draft. I will forward their comments to you when I get them. I have received some initial feedback and this is included in Attachment 2.

I hope these comments are helpful. Please call me if you need additional input.
