This response is provided pursuant to Judy Heath's request of March 4, 1998, to provide you with a more detailed explanation of how Thomas Zuckerman's comments on the *Water Quality Component Report* were handled in the *Water Quality Affected Environment Report*. Please note that Mr. Zuckerman's comments were not related to information contained in the *Water Quality Program Plan*; therefore, his comments were not incorporated into the *Water Quality Program Plan*. Following is background information regarding the *Water Quality Affected Environment Report* for your reference.

The last draft of the *Water Quality Affected Environment Report* was provided to CALFED on October 31, 1997. On October 24, 1997, we met to discuss the incorporation of comments (including Mr. Zuckerman's) into the October 31, 1997, version of the *Water Quality Affected Environment Report*. As you may recall, a *Resolution Plan* was developed pursuant to your direction which recorded comments related to the *Water Quality Affected Environment Report* and how those comments were addressed.

Following are copies of selected pages of the *Resolution Plan* so that you can see how the comments of Mr. Zuckerman were handled. The corresponding pages of the October 31, 1997, *Water Quality Affected Environment Report* follow each summarized comment. The location of the *Water Quality Component Report* language Mr. Zuckerman references has been marked in the margin of the corresponding pages of the *Water Quality Affected Environment Report* for your ease of reference.
