

*****WMDT Meeting for Tuesday October 19th is Canceled*****

The Water Management Development Team meeting on Tuesday October 19th has been canceled for the following reasons:

- 1) Many of the Federal, State, and Stakeholder members will be out of town in Washington DC.
- 2) New direction to the WMCT for testing more comprehensive options to Scenarios will require all CT members to be gaming that day. A progress report on the results of the Scenario analysis will be presented at the DT meeting on the 26th.
- 3) A report on "Baseline" position clarification is being prepared by CALFED consultants and will be sent to the DT members on Friday the 22nd.
