Subject: Change in Frequency of CALFED Meetings

At the most recent CALFED meeting (August 16, 1995), it was decided that CALFED would begin meeting on a bimonthly basis instead of every month. If additional meetings are determined to be necessary, they will be scheduled on an ad hoc basis. **Through the end of 1995, CALFED meetings are scheduled for Thursday, October 19, 1995 and Thursday, December 14, 1995 from 1:00 pm until 5:00 pm.** The meetings previously scheduled for September 21 and November 16 have been canceled. Please note these schedule changes on your calender.

Within the next week or so, you will receive an update summarizing recent and upcoming CALFED Bay-Delta Program activities. Additionally, the second CALFED Bay-Delta Program workshop will be held on September 14, at the Hilton Hotel in Sacramento. This workshop will build on the listing of problems identified in the first workshop and will focus on establishing objectives.
