

## Bay-Delta Accord Extension and Press Release

### Status

The attached official Bay-Delta Accord extension document and draft press release have been tentatively approved by CALFED agencies. Minor changes to the press release can still be made prior to the announcement and signing event. Please provide recommended changes to the press release prior to the CALFED Policy meeting to Patrick Wright of U.S. EPA at (415) 744-1024 or Marc Luesebrink of the Resources Agency at (916) 653-5656.

### Action Item

At the CALFED Policy meeting, we will discuss the strategy for announcing the Accord extension. Secretary Babbitt has expressed an interest in coming out to California to participate in a signing event. We will be attempting to select a date, location, etc. for a signing event.
