Signing Ceremony

Memorandum of Support For Sacramento and San Joaquin River Basins Comprehensive Study

Please join us on Monday, March 2, 1998, for a ceremony marking the official initiation of the Sacramento and San Joaquin River Basins Comprehensive Study. The goal of the study is to provide a comprehensive plan for flood damage reduction and ecosystem restoration for the Sacramento and San Joaquin River Basins of California. The ceremony is sponsored by the U.S. Army Corps of Engineers and The Reclamation Board.

Please contact Ms. Maureen Adams at 916-557-7750 or e-mail, moeadams@usace.mil to confirm who will attend for your organization. We look forward to your participation in this ceremony.
