## Memorandum

Date: September 10, 1998  
To: CALFED Policy Group  
From: Lester A. Snow  
Executive Director  
Subject: Revised Phase II Report Outline

### Summary

The *Phase II Interim Report* released in March 1998 provided a summary of the CALFED Phase II activities at the time of the Draft Programmatic Environmental Impact Statement/Report in March 1998. CALFED staff will revise and update that report to show the status of the Phase II activities in late 1998 as part of the Revised Draft EIS/R.

Changes to the report will focus on supplemental analyses conducted since March 1998. Information from the *Developing a Draft Preferred Program Alternative* document and impact analysis for the draft preferred program alternative also will be incorporated.

An outline of the *Revised Phase II Report* is attached and CALFED staff will present an overview of the outline at the September 15, 1998 meeting.

### Action

Concurrence Item. CALFED Policy Group is being asked for concurrence and guidance on the content in the outline for the *Phase II Interim Report*.
