Memorandum

Date: May 6, 1999

To: CALFED Policy Group

From: Lester A. Snow

Subject: Revised Phase II Report

A critical component of the June package will be the Revised Phase II Report. This memo describes the schedule for preparation and review of the report and summarizes the significant changes to it.

Schedule

- April 26-May 17 Internal staff revisions to specific sections.
- May 17 Release of full revised report to agencies.
- May 17-24 Review of report by agencies.
- May 24-28 CALFED and agencies meet on changes/revisions, as necessary.
- June 4 Last date to get Revised Phase II Report to the CD manufacturer.

Summary of Changes

Significant update or expansion will be made to sections discussing the Water Management Strategy, the Environmental Water Account, the Integrated Storage Investigation, the Multi-species Conservation Strategy, and South Delta actions. Stage 1 actions have been refined and presented in bundles. New sections will describe the status of our work on Governance and Finance. The description of our 404 Compliance Strategy will be updated.

Minor updates will be made to other sections, including Program Element descriptions, CMARP description, and summary of Public Involvement.
