

DRAFT

Overview of CALFED Water Use Efficiency Program																								
Task	1999												2000											
	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
<b>CALFED Milestones</b>																								
Draft EIR/EIS						◆																		
ROD																			◆					
<b>Agricultural WUE Elements</b>																								
Coordinate with AWMC																								
Ag WUE Strategic Plan & Incentive Program																								
Define Benefits & Quantifiable Objectives																								
Define Flow Path Changes																								
Draft Implementation Strategies																								
Design Early Implementation Strategies																								
Design Technical Assistance Program																								
Define Role of Appropriate Measurement																								
Implement Technical Assistance																								→
Early implementation (example programs)																								→
Implement Incentive Program																								→
RFP																								→
Implement: Award Grants																								→
Monitoring & Refinement																								→
<b>Urban WUE Elements</b>																								
Design Certification Process																								
Design Technical Assistance Program																								
Design Incentive Program (Criteria: benefits / \$)																								
Implement Technical Assistance																								→
Implement Incentive Program																								→
Monitoring & Refinement																								→
<b>Water Recycling WUE Elements</b>																								
Design Technical Assistance Program																								
Design Incentive Program (Criteria: benefits / \$)																								
Implement Technical Assistance																								→
Implement Incentive Program																								→
Monitoring & Refinement																								→
<b>Managed Wetlands WUE Elements</b>																								
Design Technical Assistance Program																								
Design Incentive Program (Criteria: benefits / \$)
