Dear Mr. Pierce:

This is a follow-up to an earlier conversation between you and Mr. Ron Rempel, Deputy Director of the California Department of Fish and Game (DFG), regarding the Cal Fed project jointly proposed by DFG and Jones and Stokes, on the Nelson Slough Unit of the Feather River Wildlife Area in Sutter County.

This will advise you that the DFG is not seeking to carry out the project at this time. Funds initially approved for this project could be used for another project presently lacking funding.

If you have any questions or need further information please call me at (916) 358-2898 or Mr. Rempel at (916) 654-9980.

Sincerely,

Banky E. Curtis  
Regional Manager
