MESSAGE: Lester,

We are proceeding with the planning for the Ecosystem Management workshop. The workshop will be held on June 8. Adrianna confirmed that you are available on that day. We have Doug Wheeler lined up to be one of the opening speakers in the morning.

I am attaching a draft format for the workshop and an agenda for a conference call this afternoon from 3:00 to 4:30 to continue our discussions about the workshop. If you are free and would like to join us, please call 800-403-2010, access code 992789.

We are having a meeting on 5/8 from 9:30 to 12:30 at the CUWA office with the workshop cosponsors. If you are available, we would like to have you attend that meeting. We currently have the Bay Institute, Share the Water, Northern CA Water Assoc, and San Luis Delta Mendota Water Authority confirmed as cosponsors. We are pursuing the University of California, the Delta Protection Commission, the Nature Conservancy, and the Pacific Coast Federation of Fishermen.

Please call me if you have any questions. I will be in my office this morning and at CUWA all afternoon.
