

Memorandum

Date: December 2, 1996

To: PCT Liaisons

From: Judy Kelly, Deputy Director

JK

Subject: PCT Meeting on December 11

In preparation for next week's PCT meeting, I am sending along the following documents: 1) a draft agenda based on my early draft of late November and reflecting the discussion we had at the December 2 conference call; 2) a summary of last month's meeting--many of you did not receive this through the e-mail we sent last week; and 3) a copy of the *Draft Time Value of Water* write-up recently produced by the Program. There will be a small meeting of invited agency staff on December 12 specifically to discuss this draft, but we can also discuss it on the 11th. As it is a very preliminary draft, we ask that you not distribute it outside the agency at this time. Thanks, and we'll see you on the 11th.
