To: BDAC Members

From: Lester A. Snow, Executive Director
CALFED Bay-Delta Program *L. A. Snow*

Subject: Revised Draft Operating Procedures for BDAC

The Draft Operating Procedures distributed and discussed at the previous BDAC meeting have been revised to address concerns raised about voting and to whom the BDAC reports. With respect to voting and formal recommendations produced by BDAC, we have inserted language to provide an opportunity for dissenting opinions or minority reports to be included with the formal recommendations. We have also added some language clarifying the role of alternates and substitutes.
