The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments.

If your comments are related to a CALFED public workshop or meeting, what was the date of that event? 10/18/95

Comments: All of the statements issued at the meeting seems to be cutting out all interest of the "Bay." I would like for everyone at the Bay-Delta Program to note all of the environmental laws that come into play when the bay (S.F. & San Pablo) are excluded completely from the issues. We need a comprehensive plan not an exclusive plan for the use of water by people who can "buy water."
