Subject: Upcoming BDAC Meeting

The next BDAC meeting is scheduled for **February 15, 1996, at the Los Angeles Airport Hilton and Towers in Los Angeles, California.** Additionally, as agreed to at the last BDAC meeting, we will again hold an **informal educational session and dinner on February 14, 1996,** the evening before the meeting with the objective of providing information about the CALFED Bay-Delta Program financial strategy. We will also be joined by Senator Costa at the February 14 session, who will make a short presentation outlining his bill, SB 900. The public is invited to attend the BDAC meeting and the informal educational session (from 7:30 p.m. - 9:30 p.m.).

Enclosed with this memo are several other items:

- meeting summary from the December 6 BDAC meeting;
- draft agendas for the February 14 educational session and the February 15 BDAC meeting;
- a tentative schedule for scoping meetings the second two weeks of April.

You will receive a packet of information around February 1 containing the materials for the February 14 educational session and the February 15 meeting. As many of you will need to make arrangements to fly to Los Angeles, please contact Robin Jenkins in our office as soon as possible to make those arrangements. For the February 14 educational session, we will also provide dinner for the BDAC members (the dinner will be held from 6 p.m. - 7:30 p.m.). Menu items for the dinner are Salmon filet with dill cucumber sauce or Cornish Game Hen with wild rice stuffing. Please also let Robin know which entree you prefer, and if you will need hotel accommodations.
