CALFED Bay-Delta Program
Subject: BDAC Advice about Public Outreach

As we discussed at the October 25 BDAC meeting, CALFED staff need your ideas about our outreach activities in general and our public meeting schedule in particular.

Attached are a short response form and a tentative public meeting schedule. We would appreciate your filling out the response form -- handwriting is fine -- and faxing it to Mary Kelley, Public Affairs Officer, at 916/654-9780. We would like to receive your response form in the near future so that we can quickly strengthen our outreach program.

Thank you very much for your help.
