**Bay-Delta Advisory Council Meeting, May 22, 1997, Sacramento, CA**

I regret that I will be unable to attend the May 22 meeting due to a conflict with the California Chamber of Commerce Board of Director meeting scheduled on the same date. In most cases, I can avoid scheduling conflicts with three or four months advance notice of the BDAC meetings.

Sincerely,

**Boyle Engineering Corporation**

Thomas S. Maddock, P.E.  
Chairman of the Board
