The Honorable Molly Wilson
Supervisor, Shasta County
1815 Yuba Street, Suite 1
Redding, CA 96001

Dear Supervisor Wilson:

On behalf of the CALFED Bay-Delta Program and the Bay-Delta Advisory Council (BDAC), I regret overlooking the opportunity to hear from you at the BDAC meeting in Redding on Thursday May 14, 1998. Your comments would have contributed to achieving one of the goals of the meeting, which was to obtain a better understanding of the concerns Northern Californians have regarding the CALFED Program and to continue identifying ways to address those concerns. Please accept my apology.

I appreciate your efforts to deliver your thoughtful comments at the public hearing on the draft programmatic EIS/EIR. Hearing from elected officials, such as yourself, and others who do not normally attend CALFED meetings is important to ensure we have a clear understanding of issues which need to be addressed as the Program develops.

I can assure you the Program will carefully consider your comments and suggestions. We look forward to your continued participation in the CALFED process. I invite you to contact us with your further insights or questions.

Sincerely,

Mike Madigan, Chair
Bay-Delta Advisory Council
