

July 29, 1998

TO: June 17 & 18, 1998 BDAC Meeting File
FROM: Eugenia Laychal  CALFED Bay-Delta Program
SUBJECT: Revision to Meeting Summary

Page 9, first Discussion Point: The following sentence is added at the beginning of the paragraph:
Ms. and Davis and Mr. Gohring pointed out that water use efficiency economic analyses should include the costs and benefits of conservation to society, as well as the costs and benefits to those who will implement conservation programs.
