Dear Mr. DiCroce:

Thank you for attending the Bay-Delta Advisory Council meeting on March 25, 1999. This letter is a response to your request to expand the Ecosystem Restoration geographic scope to include the Trinity River.

The Trinity River is included in the Watershed Program geographic scope, rather than the Ecosystem Restoration scope. Therefore, watershed actions on the Trinity which benefit the Bay-Delta can be part of that program's implementation plan.

We appreciate your interest in the CALFED Bay-Delta Program.

Sincerely,

Lester A. Snow
Executive Director
