Dear Chair Madigan and Vice Chair McPeak:

We are writing to express the Santa Clara Valley Water District's concurrence with the Bay Delta Advisory Council's (BDAC) recommendation on the CALFED Bay-Delta Program that you transmitted to Deputy Secretary Hayes and Secretary Nichols on May 24, 2000. We believe the recommendation captured the areas of agreement as well as areas of remaining concern.

We would like to thank you for your leadership and perseverance over the last five years in chairing BDAC. You have successfully accomplished BDAC's mission of developing a consensus package of advice and recommendation to CALFED as they continue to implement and refine a long-term solution for the Bay-Delta.

Sincerely,

Greg Zlotnick
