I will be out of state from July 7 until July 23 and thus  
unfortunately  
will miss the July 19 BDAC meeting. I have not yet received the  
staff  
paper on "Assurances," so I don't really know if an initial meeting  
of  
the Assurances Work Group is feasible for August or not. I don't  
think  
we should begin until we have something to work with and enough  
people  
available to make it worthwhile.

If the paper will be ready soon and you think a reasonable number of  
people can be rounded up, could you or someone on your staff set up  
a  
work group meeting for the week of August 12? I am free all week,  
although I would prefer the meeting NOT be scheduled for Friday,  
August 16th.

BDAC members who have expressed an interest in this effort are Alex, Rosemary and Tom (who was more of a "maybe"). Others who have expressed an interest are George Bayse, Elizabeth Patterson, B.J. Miller and Gary Bobker.

Thanks for whatever you and your staff can do to get this work group started.

P.S. When Mike asked me to chair this work group, he said there would be a charge to the group. Has one been prepared? I don't think the ground this work group is expected to cover is quite as clear as it is for the other work groups.

Hap
