Subject: November 20 BDAC Watershed Work Group Meeting

The next meeting of the BDAC Watershed Work Group is scheduled for Friday, November 20, 1998 from 10 a.m. to 4 p.m. The meeting will be held in the Auditorium of Jones & Stokes Associates offices, located at 2600 "V" Street (corner of 26<sup>th</sup> Street) in Sacramento (see attached map and agenda).

Attached is the Draft Watershed Program Plan, dated October 23, 1998. The draft Plan is currently under review by CALFED agencies. The agency review period concludes on November 16, 1998. After the conclusion of the BDAC Watershed Work Group meeting on November 20, the CALFED Watershed Program will compile and assess all comments received between October 23 and November 20. At that time, comments will be incorporated into the Revised Draft Watershed Program Plan, which will be released for public review mid-December 1998.

Please note that the Draft Watershed Program Plan continues to be a "work-in-progress" and is still under development. We hope that you will peruse the document and provide comments at the upcoming work group meeting on November 20. If you are unable to attend the meeting, but would like to provide comments, please send an e-mail to me at: [lowrie@water.ca.gov](mailto:lowrie@water.ca.gov) or mail your comments to me at the letterhead address above.
