

AGENDA

February 5, 1997
10:00 a.m. to 12:00 noon
MWDSC Conference Room
Sacramento, CA

Needs Assessment

- Review of comments received and clarification where needed
- Review of revised draft
- CALFED staff overview of existing resources
- Identification of alternatives to address unmet needs

Technical Teams

As of the deadline for comments, I received several nominations for additional members for technical teams but little comment on the workshop objectives. Therefore, this agenda item can be eliminated if the group agrees.

DRAFT - Subject to Revision - February 4, 1997
