

Ecosystem Roundtable Agenda
Friday, April 10, 1998 9:00 to 1:00 p.m.
1416 Ninth Street, Room 1131, Sacramento, CA 95814

1. Proposal Solicitation Process

A description of the process being used in the next few months to solicit and review proposals and the table of contents of the proposal solicitation package are included in this package.

2. CVPIA Funding

The technical panel considered the projects where CVPIA had requested funding and has recommended funding for \$2.5 million in projects that were previously approved through the CALFED process.

3. IEMRP Funding

The technical panel considered the current draft of the IEMRP and the projected cost. They have recommended that the full \$1.8 million for IERMP and an additional \$1 million specifically for the research component be considered for funding. Currently, \$1 million has been approved for IEMRP.

4. Amendments

Roundtable members will be asked for their review and comment on two proposed amendments,

5. 1999 Planning

Staff will provide an update on the work of the technical panel that is meeting to revise and update priorities and an update on refinement of the workplan.

6. Water Acquisition Draft Principles

The April 3 draft of the proposed policy principles and guidelines for environmental water acquisition is included.

7. Implementation Update

Staff will provide an update on the 71 projects previously approved.

8. Funding Coordination

An update will be provided on the Watershed funds from Prop 204.
