Lotus, CA 95651

Dear Mr. Center:

I invite you to be a member of the Ecosystem Roundtable. You will be taking the place of Martha Davis, formerly with the Sierra Nevada Alliance, who is now with The Nature Conservancy.

The Ecosystem Roundtable, established as a subcommittee of the Bay-Delta Advisory Council (BDAC), has played a vital role in the selection and implementation of over \$200 million in ecosystem restoration projects. Your participation will help make this effort balanced and effective.

As BDAC continues to work with CALFED staff on development of the long-term comprehensive solution, the Ecosystem Roundtable will continue to focus on existing restoration efforts in order to improve the efficiency of program expenditures and consistency with the long-term ecosystem goals and objectives. The Roundtable provides vital public collaboration on the strategic and practical policy issues necessary for effective habitat restoration.

The next meeting of the Ecosystem Roundtable is schedule for Thursday April 22, 1999, from 9:30 a.m. to 12:30 p.m. in Room 1131 of the Resources Building at 1416 Ninth Street in Sacramento. We hope you can join us. If you have any questions, please contact Wendy Halverson Martin at (916) 653-5950.

Sincerely,

Mike Madigan, Co-Chair
Bay-Delta Advisory Council

Sunne McPeak, Co-Chair
Bay-Delta Advisory Council,

cc: Martha Davis, The Nature Conservancy
