

DRAFT
CALFED Priorities For FFY 2000

CALFED needs to make definitive progress regarding the South Delta, North Delta, Water Management and ecosystem restoration:

1. SOUTH DELTA (and Lower San Joaquin River) IMPROVEMENTS
2. NORTH DELTA IMPROVEMENTS
3. WATER MANAGEMENT
 - Water Use Efficiency
 - Water Transfers
 - Integrated Storage Investigation
 - Groundwater Pilot Projects
 - Environmental Water Account
4. ECOSYSTEM RESTORATION CONTINUITY
5. OTHER INVESTIGATIONS

DRAFT
FY 2000 Ecosystem Restoration
Spending Priorities

7/21/99

- Implement ecosystem restoration actions included in the Lower San Joaquin and South Delta Region Bundle.
- Implement ecosystem restoration actions included in the Lower Sacramento River/ North Delta Bundle.
- Provide subsequent phase funding for ecosystem restoration projects which have received previous funding.
- Dedicate funds to the EWA and environmental water acquisitions including the development of a framework for long term environmental water acquisitions.
- Dedicate funds to project and region wide monitoring and research critical to the planning and implementation of the long term ecosystem plan.
- Provide funding to support planning and implementation projects in the Bay-Delta watersheds.
