To: Alternates/Liaisons to the Ecosystem Roundtable

From: Mike Madigan, Chair
Bay-Delta Advisory Council

Subject: Participation in Ecosystem Roundtable

I invite your participation in the Ecosystem Roundtable. You will be an alternate or liaison as noted below:

- Kevin Smith, Northern California Power Agency, will be an alternate for Hari Modi, Northern California Power Agency.
- Tim Ramirez will be the agency liaison for the Resources Agency.

The Ecosystem Roundtable, established as a subcommittee of the Bay-Delta Advisory Council (BDAC), has played a vital role in the selection and implementation of over \$280 million in ecosystem restoration projects. Your participation will help make this effort balanced and effective.

As BDAC continues to work with CALFED staff on development of the long-term comprehensive solution, the Ecosystem Roundtable will continue to focus on existing restoration efforts in order to improve the efficiency of program expenditures and consistency with the long-term ecosystem goals and objectives. The Roundtable provides vital public collaboration on the strategic and practical policy issues necessary for effective habitat restoration.

The next meeting of the Ecosystem Roundtable is schedule for May 17, 2000, from 9:30 a.m. to 12:30 p.m. in Room 1131 of the Resources Building at 1416 Ninth Street, Sacramento. We hope you can join us. If you have any questions, please contact Wendy Halverson Martin at (916) 653-5950.
