Subject: Replacement BDAC Member

Attached is a short biography of Roger Fontes, Assistant General Manager, Northern California Power Agency (NCPA). We are proposing that he replace Michael McDonald (General Manager, NCPA) as a BDAC member. Because of multiple commitments, Mr. McDonald is unable to attend BDAC meetings and participate in the deliberations. Since NCPA is the only power interest on BDAC, we believe it is important to retain them as a member to ensure that BDAC remains well balanced representing stakeholder interests.
