GROUP**

**10/20/98**

## AGENDA

**State/Federal Small Group Meeting**  
**Tuesday, October 20, 1998**  
**9:00 a.m. to 12:30 p.m., Room 1147**

*(Please RSVP to Lynn Darby by October 19, 1998 Monday, regarding attendance)*

1. **DEFT/ NoName Coordination Team Report** (9:00 - 9:30)  
Staff will provide a status on the range of operational scenarios being evaluated.
  
2. **Water Management Strategy** (9:30 - 12:30)  
The Small Group Meeting will focus on issues related to CALFED's Water Management Strategy. To help provide a foundation, staff will provide some general information on California water supplies and demands, impacts of protective operating criteria implemented over the past decade, and the sensitivity of water demand projections on CALFED's evaluation of alternatives. This background information will lead into a general discussion regarding a Water Management Strategy that will help define the Program's approach for achieving its water supply reliability goals and objectives.

*Reminder -- No small group meeting October 22, thursday*
