Date: April 8, 1998
To: BDAC Members
From: Judy A. Kelly 
Subject: Additional Public Hearings

CALFED has added five public hearings for a total of seventeen hearings. We kick off the schedule with a hearing in Ontario on April 21, with the last hearing in Santa Rosa on May 28. Besides Santa Rosa, the other new locations include Vacaville, Yuba City, Stockton, and San Jose.

Each hearing will start at 6 p.m. with an informal question and answer session where the public can interact with CALFED staff and agency representatives. The formal public hearing will commence at 7 p.m.

We encourage Bay-Delta Advisory Committee member participation. If you have any questions about the hearings, please do not hesitate to contact Kim Canevari, Public Affairs Director, at (916) 654-7137.
