The Honorable Barbara Kerr

City Council

Alameda, CA 94501

Dear Ms. Kerr:

The CALFED Bay-Delta Program is hosting a public meeting for Delta area residents on Thursday, Sept. 10 in Stockton. Program managers and technical staff will provide area residents with an update on the current draft proposals for a comprehensive solution, focusing on changes the Program is making in response to comments from the community. Community members will have an opportunity to ask CALFED staff questions about the program.

Enclosed are meeting notices. I encourage you and your constituents to attend this meeting and raise issues or concerns or ask questions about the proposed plans. If you are unable to attend, I would be happy to arrange a briefing for you or provide you with additional written information.

If you have any questions, please call our legislative coordinator, Dan McCarroll, at 916-653-5704.

Sincerely,

Lester A. Snow
Executive Director

Encl.
