Assemblymember, 5th District
State Capitol
Post Office Box 942849
Sacramento, CA 94249-0001

Dear Assemblymember Cox:

The CALFED Bay-Delta Program is hosting a public meeting on Wednesday, January 20 in Lodi. The CALFED Program will provide area residents with a briefing on the recently released Revised Phase II Report, which includes a discussion of the draft preferred alternative – CALFED’s plan to improve water management and restore ecological health to the Bay-Delta system. Community members will have an opportunity to ask CALFED staff questions about the Program.

I encourage you and your constituents to attend this meeting and raise issues or concerns or ask questions about the CALFED Program. If you are unable to attend, I would be happy to arrange a briefing for you or provide you with additional written information.

If you have any questions, please call our legislative coordinator, Daniel McCarroll, at (916) 653-5704.

Sincerely,

Lester A. Snow
Executive Director
