BAY-DELTA ADVISORY COUNCIL SELECTED
TO ASSIST WITH THE BAY/DELTA LONG-TERM PROCESS

(Sacramento) Elizabeth (Betsy) Rieke, the Assistant Secretary of the Interior for Water and Science, and Douglas Wheeler, Secretary of the Resources Agency, announced the members of the Bay-Delta Advisory Council at a press conference held today at the Radisson Hotel in Sacramento. A group of more than 30 citizen-advisors were selected from California's agricultural, environmental, urban, business, fishing, and other interests who have a stake in finding a solution to the Bay-Delta problems.

The Bay-Delta Advisory Council (BDAC) has been chartered under the Federal Advisory Committee Act to give input to CALFED, which is made up of the State and Federal resource managers for the Bay-Delta who signed the historic agreement on December 15. As BDAC, these citizens will advise CALFED on the program mission, problems, and objectives to be addressed by the CALFED Bay-Delta Program.
